Helps the business owner:

- **Think** about what they need to do to succeed
- **Plan** enough time to prepare materials
- **See** if they will make money
- **Describe** the business to others.

What is Marketing?

Marketing:

- All the activities that are needed to get a product to the customer

Marketing

How will you attract people to your business?

Marketing Strategies

There are lots of different ways to promote your product or service.

- Social Media
- Commercials/ Print Ads
- Flyers/ Posters
- Displays/ Demonstrations
- And more!

Social Media Post

Create a social media post for your business idea!

Include:

- Your business logo
- Instagram handle (relating to your business name)
- A picture of your product (including what will draw customers to buying the product)
- Caption (1-2 sentences that includes key message, features, pricing/promotion, target market).

Reflections

1. What kinds of promotions or advertisements did you plan? Why do you think these will work for your target market?
2. What did you learn about customers and advertising?
